Vocabulary pill

Across the board

It’s used to say that something affects everyone or everything within an organization, system, or society.

Example:

We will be making changes to the company **across the board**: our mission, our employee structure, and even our logo.

Pre-task: Language use

When trying to improve the readability of your message, you can use *parallel structures.*

Parallel structures refer to words, phrases, or clauses in a sentence that are similar in grammatical form. They help make your copy more rhythmic and balanced.

Example:

- Easy **come**, easy **go**.
- You win **some**, you lose **some**.
- The salesman expected **that he would present** his product at the meeting, **that there would be** time for him to show his slide presentation, and **that prospective buyers would ask** him questions.

Not parallel: The production manager was asked to write his report quick**ly**, accurate**ly**, and *in a detailed manner.*

Parallel: The production manager was asked to write his report quick**ly**, accurate**ly**, and thorough**ly**.

Post - Task

Skill focus: Reading, writing, listening, speaking.
→ LINGUISTIC - Grammatical accuracy
